## The City Learning Series Walking Tour of Downtown Beaverton

returns on Thursday, May 20, 2004. Beaverton's downtown core has seen many changes over the past few years including the City Library, the Round, and the Hall-Watson Beautification Project. Last spring, over 20 people participated in the walk, which started at the City Library and ended at the Round. City staff participated in the walk to answer questions that came up along the route regarding street trees, land use and development, and traffic. The walk is a fun way to get to know your downtown. Watch the Your City and the City's web site for more information including a time and route!

Each year, the City and Beaverton Area Chamber of Commerce sponsor the **Volunteer Service Awards** which recognize outstanding volunteer service in the Beaverton community. Later this spring, nomination forms will be available throughout the community, as well as on the City's web site. Think about neighbors who make a difference in your life and be sure to help recognize them for their efforts!
